Dear Ms. Jones:

I wanted to express heartfelt thanks to your Foundation for the generous and thoughtful gift donations to some of our children and families in need. Our families were so appreciative of the wonderful Christmas gifts they received and were truly touched by the story of your Foundation's establishment and valuable mission.

It was also truly a pleasure for our staff to collaborate with your organization to make Christmas 2005 a very special year to remember. The California School for the Deaf is very pleased and honored to have been your first year recipient of the Don Jones Foundation Christmas donations.

We wish your Foundation continued success with your wonderful and meaningful community contributions.

Sincerely,

A handwritten signature in cursive script that reads "Henry Klopping".
